Good Evening Dear Concern

I Haripal Rawat live in DDA Flats, Sector -14, Pocket-1, Radhika Apartment Dwarka New Delhi 110075. there are many street dogs aprox 20-25 roaming in this society and threat for kids and residents. Many times the dogs have bite residents. and i self escaped twice from these dogs. and many time they barks whole night even we can't sleep. and if there is no Street light we can't move from our flats after dark. this is threat of street dogs in society

Many Society member complained several time to MCD office to catch dogs. but they are saying they can't take action due to rules of Animal welfare board and one more shocking thing they asked me that three is value of dogs but not men even you can't take action against these street dogs. they said they is catch 1 or 2 but they have to leave these out side the society gate not anywhere.

So will request to please do needful in this regard

Thanking you

Haripal Rawat
